RE: Approval of January 2009, "Quality Management Plan, Revision 2" for the North Shore Gas and Peoples Gas Former Manufactured Gas Plant Sites.

Mr. Prasad:

The United States Environmental Protection Agency has reviewed the January 2009, "Quality Management Plan, Revision 2". The QMP was prepared under the requirements of the July 23, 2007 Administrative Order on Consent for Remedial Investigation/Feasibility (AOC). Pursuant to the AOC EPA is approving the document.

If you should have any questions concerning this matter please feel free to give me a call at (312) 886-5122, or email at prendiville.timothy@epa.gov.

Sincerely,

Tim Prendiville
Remedial Project Manager
